8. MEDIA RELEASE

At Blyth we provide a rich learning environment where students learn both from our teachers and from the guided collaborative work they do in our programs.

We are proud to share this environment with our current and future students, alumni and family members by featuring students and their work on our websites and in other electronic and print media, as well as in presentations, open houses, student introduction nights and the like.

To assist in carrying out, enriching, developing and publicizing our programs we request the following consents from you and your parents or guardians.

1. I understand that during my participation in Blyth programs Blyth may record me and my voice, both individually and as part of any group, in any physical or electronic manner including but not limited to still photographs and audio/video recordings, and that Blyth will make excerpts and compilations of these recordings (the recordings, excerpts and compilation are referred to collectively as **recordings**).

   (a) I authorize Blyth to make, copy, publish and otherwise include recordings of me in websites and other physical or electronic media published or presented by or on behalf of Blyth for the **Blyth community** (Blyth students, alumni and their family members). I understand that Blyth may charge Blyth community members for publications such as yearbooks.

   (b) I authorize Blyth to include or display recordings of me in promotional material that appears in physical or electronic media (including but not limited to print, radio, television, websites or emails) presented outside the Blyth community, which I understand will be used only in relation to Blyth educational programs.

If you do not agree, it is your responsibility to identify yourself to the photographer or videographer, and temporarily remove yourself from situations in which recordings are being made.

☐ **I DO AGREE** ☐ **I DO NOT AGREE**

2. During my participation in Blyth programs I may be creating a number of **works** including but not limited to photographs, videos, drawings, paintings, texts, blogs, emails, evaluations, surveys and papers.

I understand that Blyth may decide to use or print all or part of my name in association with my work, or may refrain from stating my name altogether.

   (b) I authorize Blyth to include or display my work or any excerpts or compilations of my work in promotional material that appears in physical or electronic media (including but not limited to print, radio, television, websites or emails) presented outside the Blyth community in relation to Blyth educational programs.

3. The above authorizations are subject to the following:

   (a) The rights I grant to Blyth are non-exclusive, meaning that I may use my own work for any other purposes, and Blyth is entitled to carry out any of its permitted activities regarding works or recordings without payment to me.

   (b) Title to all recordings, photographs, videos or other publications or reproductions made by Blyth (including Blyth photographs or recordings of me or my works) belongs to and remains with Blyth. I understand that I am not permitted to copy or publish anything described in the preceding sentence in any manner, including without limitation copying or uploading pictures of me or my works taken by Blyth from any Blyth website onto any hard drive or other website.
