

# THE BLYTH BULLETIN

## FROM PRINCIPAL'S DESK:

### Principal's Message:

Dear Parents,

Thank you for your continued support in making Blyth a wonderful place for learning and growth. We're excited to announce this year's Parent Association: congratulations to **Khalill Abdel Ghawad**,

our newly elected Chair, and **Sharron Tarrant**, our Vice Chair. We look forward to collaborating closely to make Blyth the best it can be. As we approach the Ramadan season, there are many exciting activities to look forward to. In the meantime, we urge students to continue following school rules: no phones allowed during school hours, and proper school uniform remains a priority.

To our students sitting exams, remember that hard work and dedication will lead to success. Stay focused, stay positive, and give it your best effort—you're capable of great things!

We are also pleased to share that all teaching posts have been filled, and Blyth is now recognised positively by the Ministry of Education and Alberta. Thank you for your patience and understanding during this process.

Together, we'll continue striving for excellence!

## SPECIAL MESSAGE FROM MR SAM BLYTH:

"Happy New Year and I hope everyone enjoyed a great holiday. Steady improvements in the physical facilities are ongoing and are adding to both the academic and recreational opportunities for our students. Our new Rec Academy will provide students with the opportunity for workouts and practice throughout the day, all supervised by our staff and at no extra cost to you. Enrollment has rebounded with several families returning for second semester and we are seeing very good quality applications. With 80% of our student body holding Canadian passports we have become the school of choice for families who are looking for their children not only to have a high quality Canadian education but to go on to colleges and universities in Canada, the US, Europe and the UK."

Thanks you for your support for the school. We are all working very hard to make it the best school in Qatar.

With Best Wishes  
**MR SAM BLYTH**
