BRUNCH WITH MOMS

AT BLYTH

SENIOR BRUNCH WITH MOMS

On Wednesday, October 8th, our **senior students** enjoyed their first Senior Brunch of the year—a truly special occasion that, for the **first time in Blyth history**, included the mothers of our **Class of 2026**.

The event celebrated the vital role that mothers play in our school community, offering their unwavering support, encouragement, and care throughout their children's academic journeys.

The late morning was filled with laughter, good food, and joyful moments, highlighted by a beautiful musical interlude from our music teacher, who played the violin while the moms sang along.

It was a heartwarming start to the seniors' year, and we look forward to many more meaningful events and milestones with our Class of 2026!
